

**MH CREATIVE BUILDING SUPPLIES**

MH Creative Building Supplies is a company specializing in supplying the best quality and service to our clients in the need to renovate their Homes or Offices with new generation of PVC Ceilings and our latest edition the SPC Flooring.

### **SPC Flooring**

SPC Flooring (Rigid Core LVP) the latest upgrade and improvement of traditional Luxury Vinyl Tiles (LVT). SPC consists of natural Limestone powder, PVC Resin and Stabilizer to create a strong stable composite. SPC Flooring is made up of 6 layers including a fibreglass layer and Unilin click PVC middle layer, durable decor printing film on super strong UV protected vinyl. SPC flooring is the new generation of floor covering and exceeds standard laminate flooring.

### **PVC Ceilings**

Our range has the advantages of being light weight, easy to install, waterproof, moisture proof, moth proof, a virulent insipidity, corrosion resistant, durable and long lasting. The various patterns and designs of range insures the most stunning combination of ceiling styles, the sky is the limit with your creativeness in creating an even more inspired way of living.

The most important aspects of any ceiling installation whether it be household or corporate is safety. It important to know that our PVC ceiling range has passed the National Fire Protection Inspection tests for fire resistance standards. With such qualities it will be difficult to find an alternative product which attains the beauty and elegance of modern architectural design and at the same time being cost effective, eco-friendly and conforms to National Health Standards
